

**Village Of Kent City
Memorial Park Committee
Ball Creek Park
April 5th, 2010**

Meeting began at 6:30pm.

Committee Members Present: Robert Brott, Margaret Surdam and Tim Kamphuis.

Others Present: Mary Portell – Interested Party

Discussed what type of sign would be preferred in the park and the design of it. Mary Portell informed us of a couple of different sources in the area for making signs.

- Chris Hamell – 887-9463
- Scott of Scott's Graphics – 675-7186
- Imaginethat - Jeff Kruiuzenga - 616 677-3252

Discussed if the sign would be a welcome to Kent City sign as well as a sign for the park, determined it would be best if the sign was for the park only.

Decided that a metal sign would be best for less maintenance and cost. Thought sign in front of Kent City Mobile Home Park was the type of sign we were looking for. It is a metal sign airbrushes with a clear coat over the paint.
